The University is governed by its Act and the rules/regulations / statutes approved by its Board of Governors.

VISION

To advance institutional distinction through academic and research excellence by creating an enabling learning environment in the field of management, with a focus on competence, values and professional ethics.

MISSION

M1: To impart knowledge and competence enriched through academic, research, and industry-relevant practices among management professionals with a global outlook.

M2: To nurture the spirit of teamwork and leadership among future-ready managers with an entrepreneurial mindset.

M3: To inculcate value and professional ethics to become socially conscious managers and leaders.

CORE VALUES

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO1: To develop knowledge workers with analytical, leadership, and entrepreneurial skills for the dynamic global business environment.

PEO2: To evolve as critical thinkers who can adapt to innovative technology, collaborate in teams, and solve real-life business problems.

PEO3: To equip managers with data-driven decision-making for managerial positions in their chosen fields.

PEO4: To prepare culturally competent and socially responsible managers.

ABOUT THE INSTITUTE

ESTABLISHMENT

V.M Patel Institute of Management is established with a mission to provide excellent professional education in the field of management to its budding managers anticipating the need of business in the 21st century and recognizing the imperatives of globalization.

The institute offers MBA programme approved by AICTE, New Delhi and Faculty of Management Studies, Ganpat University.

V.M.P.I.M. believes in "competitiveness through competence". We have developed very good infrastructure for learning. For us teaching through audio visual aids is inevitable. Experienced faculty in each subject and regular visiting faculties are invited from other leading institutions as well as from industry.

We thrust on giving exposure to students of real life business situation by calling on regular basis Guest Faculties from Industry and practising professionals like C.As, Cost Accountants, Company Secretaries, Technocrats and Consultants.

AIM

Our rigorous efforts are directed towards leading our student community to such an acme of excellence that can satisfy the requisition of the industry, the nation and the globe at large. The generation of an entirely different community of students aiming at attaining expertise and utilizing the managerial know-how in the service of mankind is at the root of our efforts. We have the following aims before us.

To offer guidance, motivation and inspiration for full growth of hidden traits

- To impart managerial and need-based education by conducting elaborated training programs.
- To shape and mould the personality of future generation
- To construct fertile ground for resting dire challenges
- To cultivate the feeling of belongingness amongst the budding managers.

COURSES

At Ganpat University- VMPI we teach a variety of courses using experiential learning pedagogies that help to learn contemporary lessons on how to utilize the knowledge and skills in business simulation. These programs are great for the students and professionals to enhance their career.

Our Newly introduced specializations to learn in-demand skills are:

Digital
Marketing

Digital Marketing as a specialization explores several aspects of the new digital marketing environment, including topics such as digital marketing analytics, search engine optimization, social media marketing, and 3D Printing to give a richer understanding of the foundations of the new digital marketing landscape and acquire a new set of stories, concepts, and tools to help digitally create, distribute, promote and price products and services.

Marketing Analytics

Financial
Modelling

Financial Modelling: This Financial Modeling specialization has been created aiming to hone the spreadsheet and modelling skills. It introduces learners to spreadsheet models, modeling techniques, and common applications for investment analysis, company valuation, forecasting, and more. It teaches how spreadsheets work and how they may be used to build scenarios, predict performance, and make informed business and financial decisions.

Financial Analytics

HR
Analytics

HR Analytics: This course focuses on identifying effective data sources, developing meaningful metrics, designing long-term measures, and applying results in support of organizational strategy and tactics. With advances in technology and cloud computing, there are now numerous data sources available to guide decision-making and drive organizational success. Harvesting the right kind of data requires that HR teams possess strong analytical skills; high-performing HR teams know that their function is to leverage data as a “decision science” by identifying metrics and data sources that deliver organizational insights.

Talent Management

RESEARCH THAT DRIVES CHANGE

Ganpat University - Faculty of Management Studies is passionate for rigorous research matched by a deep commitment to positive change. We bring together unconventional thinkers-researchers and scholars-who collaborate across disciplines to push the boundaries of knowledge and creative expression, and consistently endeavor to lead a new way forward.

PHD EXCELLENCE INITIATIVE

Ganpat University- Faculty of Management Studies is committed to recruiting the best doctoral students and providing them with transformative academic programs that prepare them for future success through the PhD Excellence Initiative.

We, as a socially responsible University, believe in developing socially conscious leaders, managers, and entrepreneurs. The Institute's expansive campus is suitable for the quest of knowledge. Ganpat University promotes social welfare via education, as envisioned by its founder, Dr. Ganpatbhai I. Patel (Padmashree), and all of its stakeholders, who prioritise student achievement as the most essential criterion for evaluating their efforts. We are pleased that our strategy guarantees that each graduate has critical competency in the primary subject of knowledge, and we emphasize making students marketable, inventive and enterprising, culturally competent and socially involved. Ganpat University's teaching - learning environment, along with a value-based education system, provides the students with a solid foundation. The culture of innovation and critical thinking fosters the expertise and way of thinking required to meet emergent issues. As a result, throughout the time, the University graduates have proven, via their talents and performance, that they are valuable assets and growth engines for the industry and the sustainable economy.

Dr. Mahendra Sharma

Group Pro Chancellor
Ganpat University

We have seen significant improvements in recruiter profiles and employment opportunities during the last 20+ years. I am glad that our institution is playing a critical role in the development of India's business and management sectors. We have created a number of great company executives, management thinkers, and wealth builders throughout the years. The institute is dedicated to providing an environment that fosters innovation, creativity, and excellence in its students. Our objective is to instill in our students a feeling of responsibility as managers to have a socially responsible influence on broadening their knowledge and intellectual frontiers, so that they emerge transformed and ready to affect the world of business and society at large. We also want to show our students how digital technology is transforming the corporate world by teaching them management principles and leadership approaches. This curriculum, designed around leadership, innovation, strategy, decision making, and entrepreneurship, gives a well-rounded introduction to business management, data analytics, and new technologies.

Student Development Activities

Aptitude Session:

Through targeted training and resources, we are committed to ensuring our students are well-equipped to meet recruitment challenges and secure placements with leading companies.

Group Discussion Workshop:

The Group Discussion workshop was a significant success, effectively preparing our MBA students for the competitive placement process by enhancing their communication, critical thinking, and teamwork skills.

Personal Interview Workshop:

The Personal Interview Workshop was an integral part of our MBA program's pre-placement activities, demonstrating our commitment to preparing students for successful careers. By providing practical training and real-world insights, we aim to empower our students to approach their interviews with confidence and poise, ultimately increasing their chances of securing desirable job offers.
