"Once a GUNI, Always a GUNI". Choose a program that follows your passion, choose the university that converts your dream into reality. We're dedicated to giving our students a transformative educational experience. This equips them with the knowledge, skills, and values they need to succeed in our ever-changing world. Whether you aspire to be a trailblazer in your field, a change-maker in your community, or a leader on the global stage, we are committed to providing you with the resources, support, and guidance you need to succeed.

Dr. Ganpat I. Patel (Dada)
Patron-in-Chief & President, GUNI

Seize every opportunity to challenge yourselves, explore new ideas, and pursue your passions. Your education here has provision to apply the skills and knowledge needed to make a meaningful impact in an increasingly digital world. Let's make a difference by investing in the future of computer science education and research. Join us as we continue to push the boundaries of education, ignite imaginations, and shape the future together. Your journey starts here, and we can't wait to see where it takes you.

Dr. Mahendra Sharma
Group Pro Chancellor & Director General, GUNI

We sincerely aim to develop a thriving academic community that values cooperation, creativity, and curiosity. Our department is a center of innovation where academics and students collaborate to investigate novel concepts and create answers to pressing problems. It is more than just a place for instruction. The Department of Computer Science provides various opportunities to make a career in Computer and Information Technology.

Dr. Satyen Parikh
Pro Vice Chancellor, GUNI
Executive Dean - FCA, GUNI

Decode the Future: Dive into Most Growing Domain of Computer Science
Cyber Security

B.Sc. IT (Hons.) Cyber Security M.Sc. IT (Cyber Security)

Holistic Excellence at GUNI - DCS

Comprehensive Development Framework:
The department fosters 360-degree growth through industry-aligned academics, technical skill-building labs, and extracurricular platforms like national competitions, sports championships, and innovation projects.

Thriving Academic Programs: Offers specialized UG/PG programs in Cyber Security, Data Science, and Computer Applications, supported by partnerships with organizations like NASSCOM, EC-Council, and Bosch Group.

Student Achievements:
Students consistently excel nationally, securing ranks at events like the AIU National Women Student Parliament and Shodh Shikhar, while earning grants up to 2.5 lakh for SSIP projects like COSMONEL and Trueshield.

Industry Integration: Regular industrial visits, coupled with 80%+ placement rates and collaborations with 150+ recruiters, ensure real-world readiness.

Diverse Excellence: Students showcase versatility through medals at the National/International level sports Championship and participation in premier cybersecurity conclaves.

Future-Ready Graduates:
With 3,500+ alumni and cutting-edge training in domains like AI and machine learning, the department cultivates leaders for high-growth global careers.
