Date: 18-12-2020

All the staff members of Acharya Motibhai Patel Institute of Computer Studies are informed that the Institute Level - **Mobile Application Development (MAD) Club** Committee in our College is being formed by Dr. Nirbhay Chaubey. The committee members are as under. (**Academic Year-2021-22**)

A. Introduction

The **MAD** Club is dedicated to fostering innovation and learning in mobile application development. The club provides a platform for students to enhance their skills in Android and iOS app development, participate in workshops, and engage in collaborative projects.

B. Objectives

- To provide hands-on experience in mobile app development.
- To conduct workshops, hackathons, and seminars.
- To encourage students to develop real-world applications.
- To collaborate with industry experts for mentorship and guidance.

Summary Report of Six days STTP on "Kotlin Bootcamp:A Honds-on-Experience"

The main objective of this six days STTP on "Kotlin Bootcamp:A Honds-on-Experience" is to provide an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving engineering problems in the society. This STTP serve as a platform for faculty and students to interact on cutting edge technologies. This training provide the hands on training in understanding the concepts in Kotlin language. At the end of the workshop, participants should be able to: Get hands - on practice that will develop an understanding of the way Kotlin works. This program helps the participants to understand the core concepts of Kotlin.

The following table show the details of workshop:

Name of Workshop	Six days STTP on "Kotlin Bootcamp:A Honds-on-Experience"
Date of Workshop	22nd-27th, March, 2021 (1:00 PM to 3:00 PM)
Convenor	Dr. Satyen M. Parikh, Dr. Nirbhay Chaubey
Coordinator	Dr. Hiral A. Patel
Co-coordinator	Dr. Meghna B. Patel Dr. Hiral R. Patel Mr. Chandrakant D. Patel
Speakers	Dr. Hiral R. Patel (Asst. Professor-FCA,Ganpat University) Mr. Chandrakant D. Patel (Asst. Professor-FCA,Ganpat University)
No. of Participants	62 participants from Computer Science, Engineering (22-Participants from other colleges)
Organized By:	A.M.Patel Institute of Computer Studies, Ganpat University, Ganpat Vidyanagar
Venue	Online through Google Meet

The first day of STTP started at 12:50 PM with brief introduction of Convenor of STTP and Executive Dean, Faculty of Computer Applications Dr. Satyen M. Parikh and Dean, Faculty of Computer Applications Dr. Nirbhay Choubey Sir. Then Dr. Satyen Sir welcomes and introduce the speakers Dr. Hiral R. Patel and Mr Chandrakant Patel.

Throughout six day sessions covered following topics (with case studies and hands-on practical examples):

Kotlin Introduction

- Kotlin Hello World
- Kotlin Data Types
- Kotlin Operators
- Kotlin Type Conversion
- Kotlin Expression & Statement
- Kotlin Comments

- Kotlin Input/Output

Kotlin Flow Control

- Kotlin if expression
- Kotlin when Expression
- Kotlin while Loop
- Kotlin for Loop
- Kotlin break
- Kotlin continue

Kotlin Functions

- Kotlin function
- Infix Function Call
- Default and Named Arguments
- Recursion and Tail Recursion

Kotlin OOP

- Kotlin Class and Objects
- Kotlin Constructors
- Kotlin Getters and Setters
- Kotlin Inheritance
- Kotlin Visibility Modifiers
- Kotlin Abstract Class
- Kotlin Interfaces
- Kotlin Nested and Inner Classes
- Kotlin Data Class
- Kotlin Sealed Class
- Kotlin Object
- Kotlin Companion Objects
- Kotlin Extension Function
- Kotlin Operator Overloading

Quiz on Kotlin

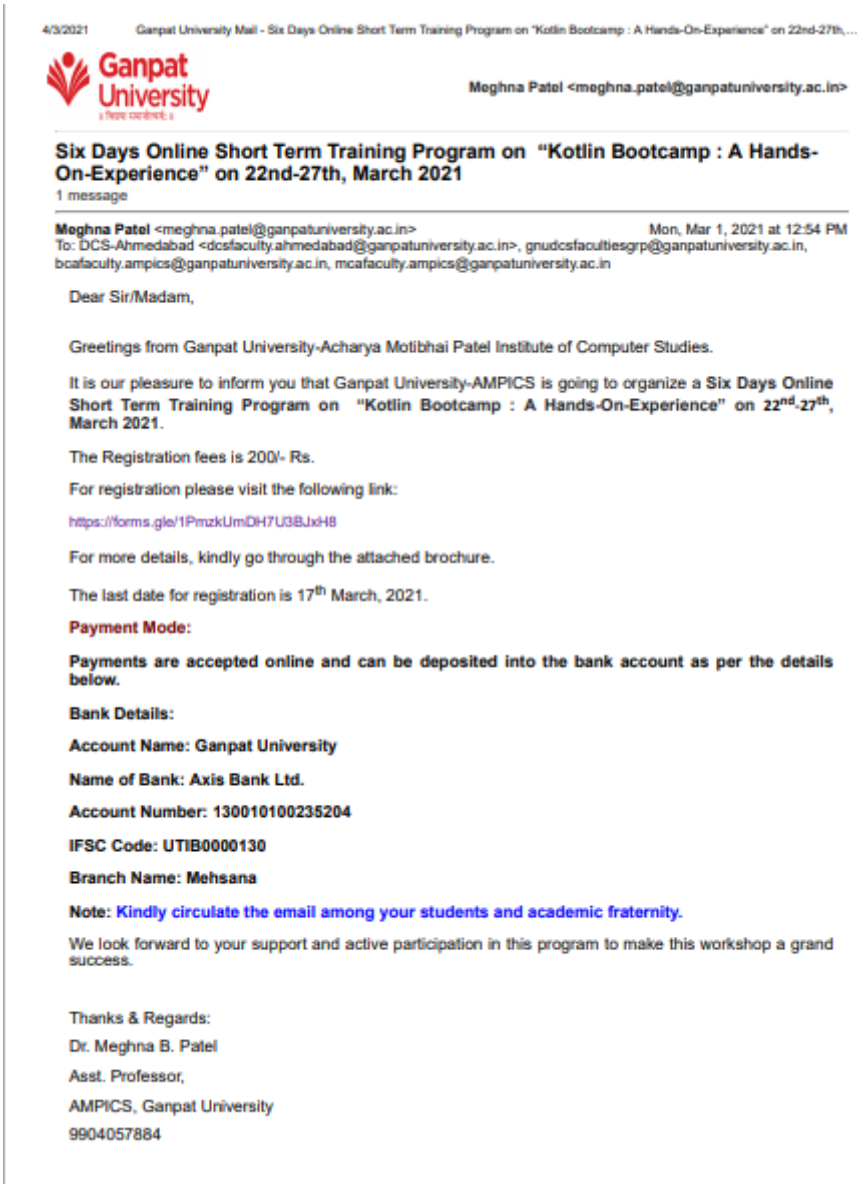

- Conduct the quiz

The six day is finished with the valedictory function. The valedictory speech is given by Dr. Nirbhay Sir. He gave vote of thanks to Speaker, Coordinators of STTP, Committee members and participants to make this event successful. Then after some of the participants give the feedback regarding STTP. And it is our pleasure to announce that participants gives positive response and encourage us to organize again this type of STTP in future. At the last certification distribution is done and end up the event.

Acharya Motibhai Patel Institute of Computer Studies has hosted online webinar entitled "Faculty Development Programme on an experiential learning platform - Virtual Labs" on 12th October, 2021 jointly program with National Institute of Technology Karnataka, Surathkal, (NITK Surathkal), India. The invited guests, keynote speakers, dignitaries and attendees have joined Online FDP from their home through zoom meeting and have brought together more than 250 participants including students, professors, research scholars from all over the world.

The workshop was virtually inaugurated at 10:15 A.M.

Welcome Blessings:

Dr. Satyen Parikh, Executive Dean, Faculty of Computer Applications, Ganpat University addressed the gathering by ad libbing the essential of such a kind of event. He has talked about the importance of Virtual Labs in todays' era. As one of the most important eLearning tools, they allow the student to conduct various experiments without any constraints to place or time, in contrast to the constraints of real labs.

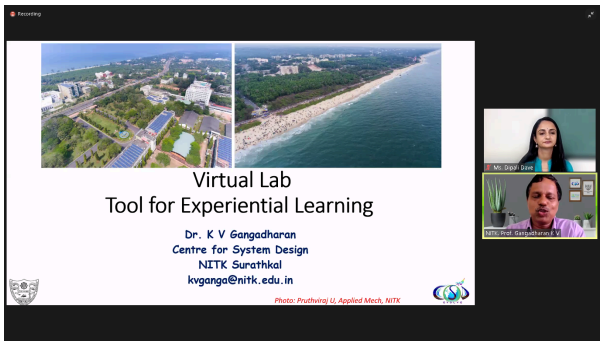

About the FDP:

Total 250 registrations were done across the world.

Resource Person – 1: Prof. K.V.Gangadharan Participating Institute Coordinator, Virtual Labs, Head-Center for System Design, National Institute of Technology, Karnataka, Surathkal, (NITK Surthkal), India.
The expert started the session with a case study like situation of teachers and students in COVID-19. He explored several pieces of evidence for the same and explained each part and correlated them to a virtual lab. He also explained

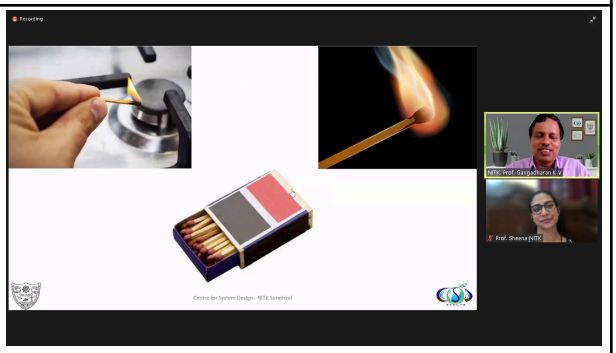

several virtual labs important and example with how to do virtual lab works from basic to advanced.

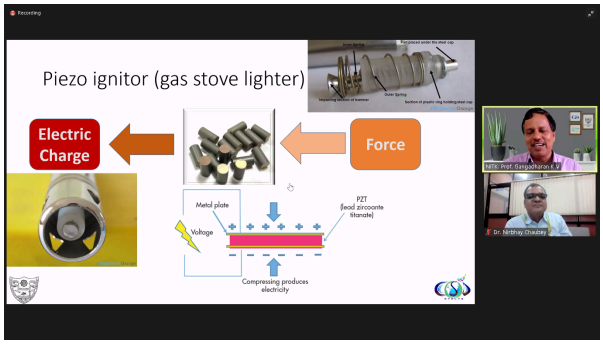

The glimpse of the presentation...

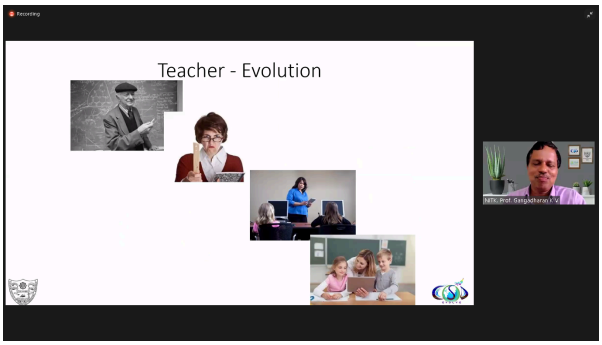

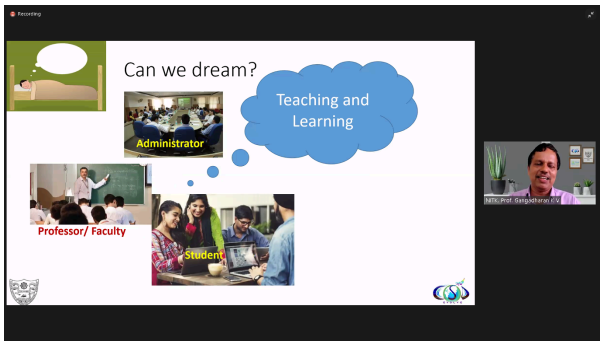

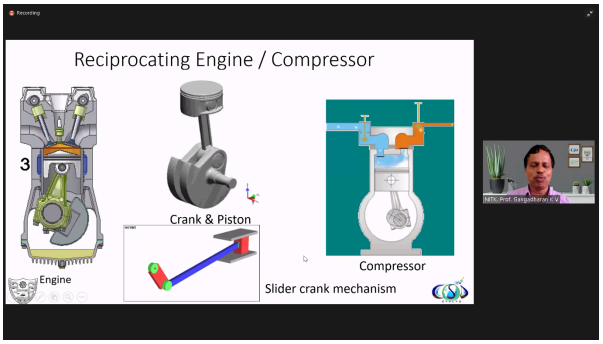

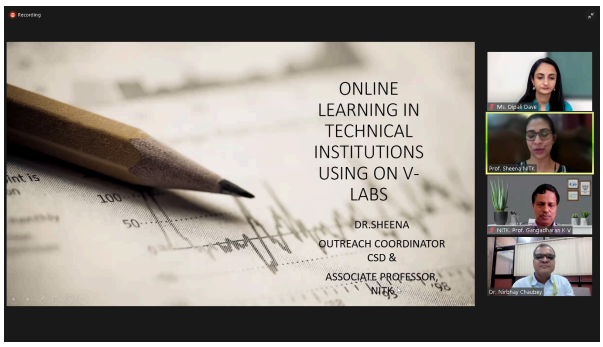

Resource Person-2: Dr. Sheena

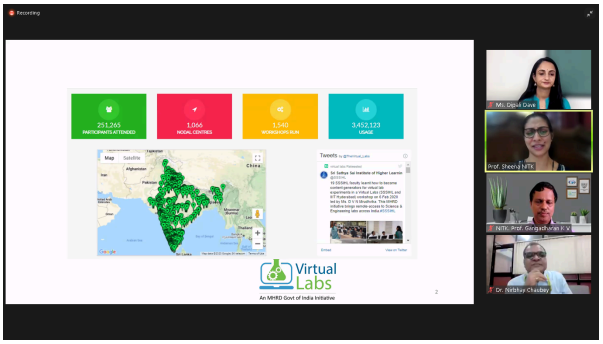

Outreach Coordinator-Virtual Labs, Associate Professor of Management National Institute of Technology, Karnataka,

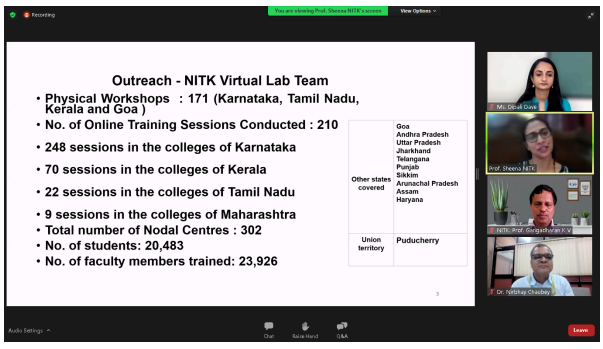

Surathkal, (NITK Surthkal), India.

The expert demonstrated statistics values of vlabs for each region of india that was managed by the NITK team. She also mentioned participating institute roles and responsibilities regarding vlab projects.

The glimpse of the presentation...

Resource Person - 3: Dr. Mohit P. Tahiliani

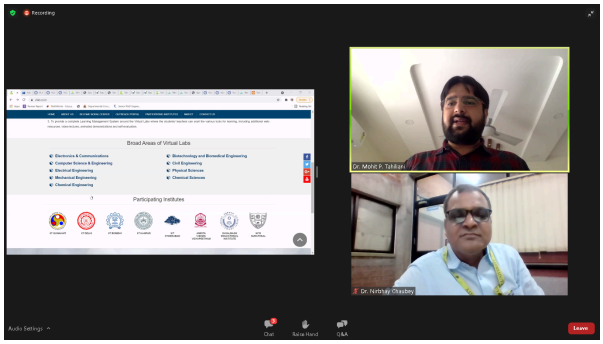

Assistant Professor of Computer Science

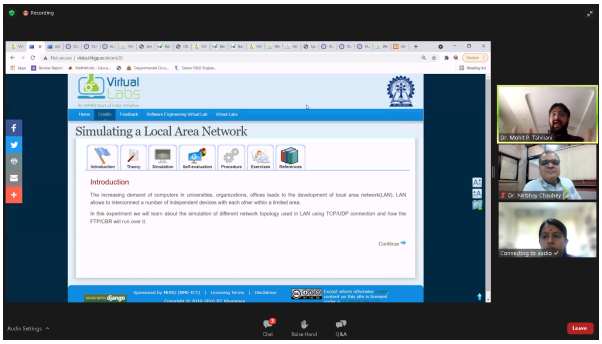

National Institute of Technology, Karnataka,

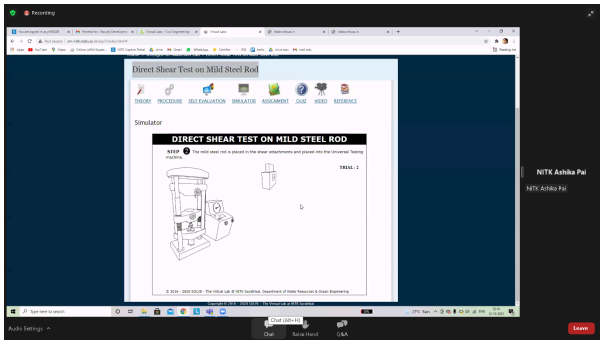

Surathkal, (NITK Surthkal), India.

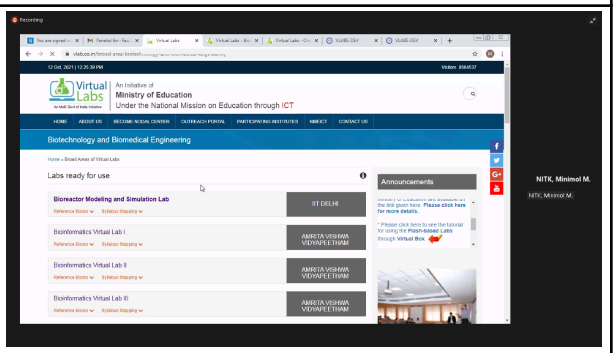

The expert demonstrated several multidisciplinary virtual labs and mentioned several aspects to do work with it and was allowed to participate to improve and implement labs of several subjects.

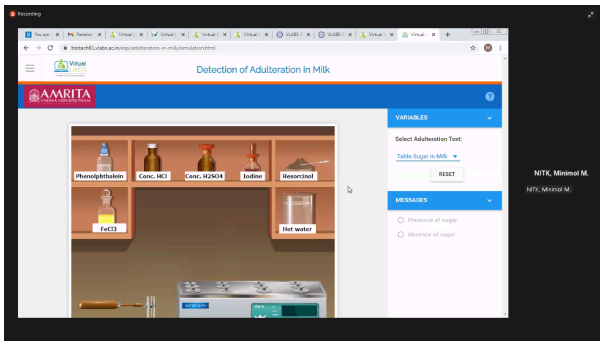

The glimpse of the presentation...

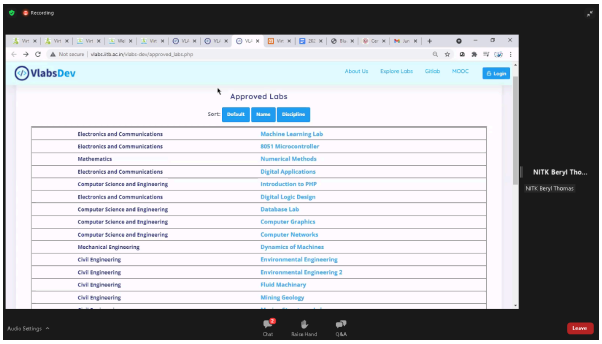

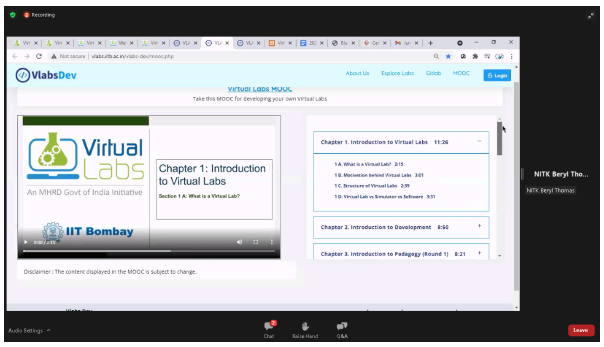

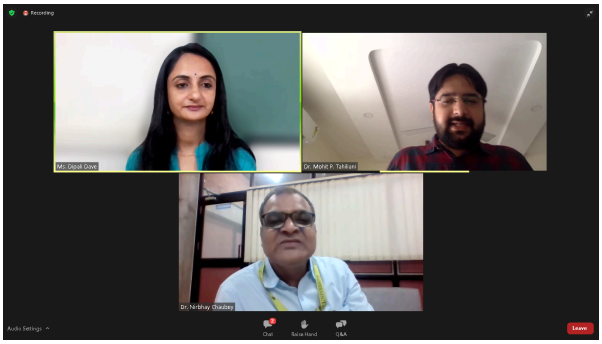

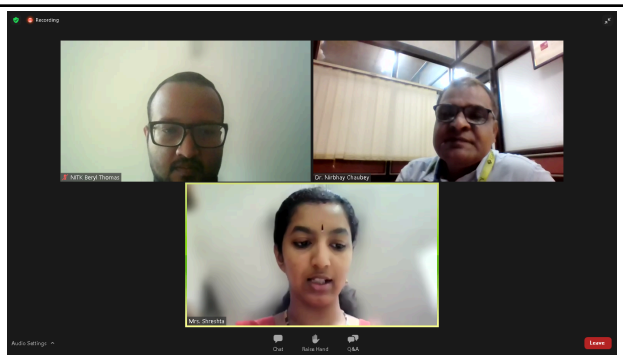

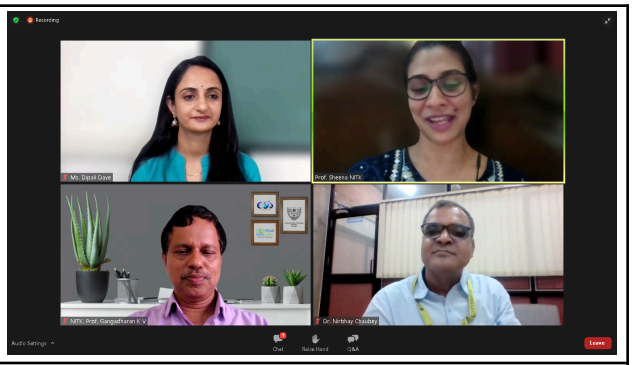

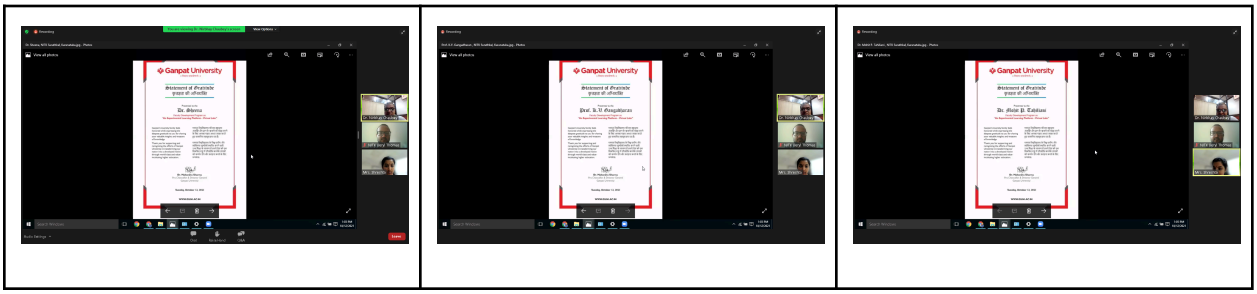

Few participants shared their feedback of attending this workshop online expressing their excitement of learning and the manner the entire FDP conducted by the Acharya Motibhai Patel Institute of Computer Studies organizing committee members, Ganpat University and jointly program with National Institute of Technology Karnataka, Surathkal, (NITK Surathkal), India .

Feedback Given By Participants

Dr. Nirbhay Chaubey, Dean, Faculty of Computer Applications, Coordinator of FDP proposed a vote of thanks and presented a statement of gratitude to all experts.

In a nutshell, the national workshop was quite fruitful which ignited a spirit of virtual labs. It is indeed a remarkable, memorable and knowledgeable virtual FDP.

All the staff members of Acharya Motibhai Patel Institute of Computer Studies are informed that the Institute Level - **Mobile Application Development (MAD) Club** Committee in our College is being formed by Dr. Nirbhay Chaubey. The committee members are as under. (**Academic Year-2022-23**)

A. Introduction

The **MAD** Club is dedicated to fostering innovation and learning in mobile application development. The club provides a platform for students to enhance their skills in Android and iOS app development, participate in workshops, and engage in collaborative projects.

B. Objectives

- To provide hands-on experience in mobile app development.
- To conduct workshops, hackathons, and seminars.
- To encourage students to develop real-world applications.
- To collaborate with industry experts for mentorship and guidance.

REPORT FOR WORKSHOP ON "Advance ReactJS"

As a growing field of web site development, ReactJS is high demand, declarative, efficient, and flexible JavaScript library for building user interfaces. It lets you compose complex UIs from small and isolated pieces of code called "components". We organized workshop on "Advance ReactJS". It was a One day workshop with the objective to provide platform to the final year MCA students and BCA students to cope their final year placement interviews and discuss their questions regarding web site development technologies.

Name of Workshop: Advance ReactJS

Date of Workshop: 10-September-2022, Saturday

Venue & Organised By: A.M.Patel Institute of Computer Studies, Ganpat University, Ganpat Vidyanagar

No. of Participants: 120

Details of Expert:

Name: Mr.Kishankumar B Prajapati Alumni, AMPICS, GUNI
Company Name: Hyperlink Infosystem Ahmedabad, Gujarat
Designation: Team Lead of Android
Email : prajapatikishan796@gmail.com

Coordinators:

Ms. Vishnuba H. Chavda, Assistant Professor, MCA, AMPICS, GUNI

Contents of the workshop:

- React Introduction
- React ES6
- React JSX
- React Components
- React useState Hook

The workshop was organized for graduate and post graduate students of computer science. About 120 students attended the workshop.

Experts introduced students with the history and basic functionality of ReactJS language, and how it works. Then he started the workshop by getting prerequisite from students like HTML and CSS about their knowledge. It was a hands on practical session workshop.

Workshop was ended with the questions and answers which was very interesting. It was indeed helpful workshop for final year students.

Summary Report of "Inauguration Ceremony of Ganpat University ACM Student Chapter"

To develop the personality of the young students as well as their technical skills, Ganpat University organized the inauguration of the ACM Student Chapter on 15th November 2022. With 15 student members and 3 professional members of ACM, Ganpat University has established an ACM Student Chapter with a formal approval from the ACM headquarter, USA. It is the 6th ACM student chapter in Gujarat.

The ceremony began with a welcome address by Dr. Satyen Parikh, Deputy pro vice chancellor of Ganpat University.

ACM Women India Council Chair, Dr. Heena Timani provided information about ACM Student Chapter. She also said that the main goal of ACM is to "network with people and learn more about emerging technologies".

ACM, the world's largest educational and scientific computing society, delivers resources that advance computing as a science and a profession. It has 800 student chapters across the world. Through this collaboration, GUNI students establish network with foreign students and get the opportunity to join one or more of ACM's Special Interest Groups in 37 specialty areas of IT. Students can participate in different global conferences and competitions, and win prizes and awards, opportunity to get knowledge through resource experts, online courses, certification courses. The research scholar can get the fund for research work, access to digital library, participate in expert talk on research topics. The faculty members who are part of this ACM chapter will get the benefit for getting innovative way of teaching subjects. ACM-W aims to provide social and professional support for women empowerment in computing.

After that, Chairman of Ahmedabad Professional Chapter Mr. Bhaumik Shah shared motivational thoughts. He emphasised that "Motivation is nothing but life experience", "Motivation is the way to achieve your goals or needs".

The Patron in Chief and President of Ganpat University, Dr. Ganpatbhai Patel inspired the students about the values of life. He talked about two rules; "Be a good person, study hard and become an expert in your subject." He also discussed about ACM code of conduct and how that can add value to the holistic development of Ganpat University. Shri. Ganpatbhai Patel also shared his example of being involved in such technical chapters that contributed a lot in his life. He inspired students to be a part of such chapters and networking community.

Along with this, Pro-Chancellor & Director General of Ganpat University Dr. Mahendra Sharma, Pro vice chancellor and Executive Registrar, Dr. Amit Patel, Pro vice chancellor, Dr. R. K. Patel, Deputy pro vice chancellor and Executive Dean, Faculty of Engineering and Technology, Dr. Kiran Amin and Deputy pro vice chancellor Dr. Rajen Purohit attended and encouraged the students.

Dr. Nirbhay Chaubey, Dean, Faculty of Computer Applications, Ganpat University proposed a vote of thanks and motivated students to take benefits from ACM student chapter. Dr. Meghna Patel coordinated the event and facilitated students with the fruits of ACM student chapter.

Date: 13-12-2022

All the staff members of Acharya Motibhai Patel Institute of Computer Studies are informed that the Institute Level - **Mobile Application Development (MAD) Club** Committee in our College is being formed by Dr. Nirbhay Chaubey. The committee members are as under. (**Academic Year-2023-24**)

A. Introduction

The **MAD** Club is dedicated to fostering innovation and learning in mobile application development. The club provides a platform for students to enhance their skills in Android and iOS app development, participate in workshops, and engage in collaborative projects.

B. Objectives

- To provide hands-on experience in mobile app development.
- To conduct workshops, hackathons, and seminars.
- To encourage students to develop real-world applications.
- To collaborate with industry experts for mentorship and guidance.

About Speaker:

Prof. Prabhu Ramachandran
Department of Aerospace Engineering,
IIT Bombay, Mumbai,
INDIA - 400 076

About Bootcamp:

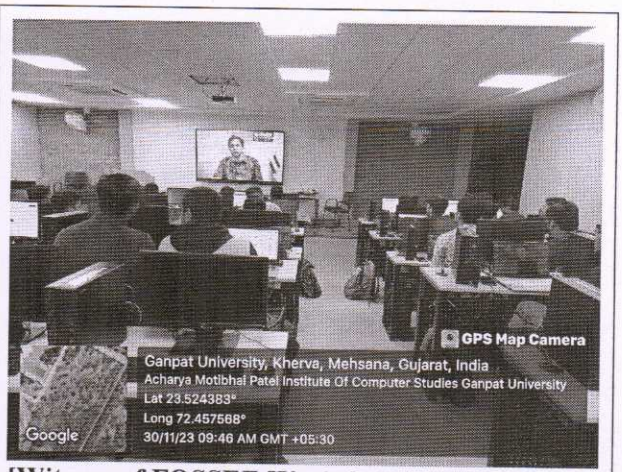

Prof. Prabhu Ramachandran briefed about Python Programming (ISCP) Bootcamp is an intensive and specialized training program designed to elevate participants' Python Programming (ISCP) skills to an advanced level. Geared toward individuals with a solid foundation in Python or prior programming experience, these boot camps provide in-depth knowledge on advanced Python concepts like decorators, meta classes, and generators. Participants explore diverse applications of Swift. Hands-on lab activities are a core component, enabling attendees to apply their knowledge in real-world scenarios, fostering problem-solving skills.

The program ended with a vote of thanks by Mr. Harshil Darji (MCA Sem-1) Students Coordinators with Prof. Sanjay Patel and Prof. C. D. Patel, of Faculty of Computer Applications, Ganpat University to the speaker and participants.
