Objective:

This course explores the key concepts and teachings of Indian philosophy, focusing on their applications to leadership. The course delves into the philosophical traditions that have shaped leadership principles in India, emphasizing wisdom, ethics, and values derived from ancient texts. It will provide practical insights for modern leaders based on Indian philosophical schools like Vedanta, Bhagavad Gita, Yoga, and more.

Pre-requisites:

Understanding of Indian philosophy and its application to leadership.

Course Outcomes:

Name of CO	Description						
CO1	Understand key concepts of Indian philosophy that influence leadership, including Dharma, Karma, Atman, and Sattva.						
CO2	Apply the teachings of Vedanta, the Bhagavad Gita, and other philosophical texts to enhance personal leadership qualities.						
CO3	Demonstrate emotional intelligence, ethical decision-making, and resilience inspired by Indian philosophical thought.						
CO4	Develop a leadership style rooted in compassion, integrity, and mindfulness, drawing from the wisdom of Indian spiritual traditions.						
CO5	Integrate the principles of meditation, self-reflection, and detachment in managing stress and leading teams effectively.
