Objective:									
<p>The Summer Programme (SP) at the Institute of Architecture is a unique contribution to Architectural education. Initially called measure drawings, it is intended to take the students out into the field to get first-hand experience of traditional built environments. This subject recognizes the value of the traditional architecture as well as the importance of field experiences and travel in the learning of architecture. The students are encouraged to learn about not only the architectural form also related components of architectural relevance.</p>									
Learning Outcome:									
<p>LO1: Students will get the understanding of “synthesis of learning from various courses” by observing; registering & mapping of actual built buildings.</p> <p>LO2: Programme outcome will be extremely valuable in creating knowledge base on architecture field not only in India but of nearby countries as well.</p> <p>LO3: Production of Accurate and precise drawings of many a monument, institution, settlement in India, which become a basis for future research.</p>
