<p>Indoor Gardening Plants improve our health. We might exercise regularly and have a balanced diet but plants in our home and workplace not only improve air quality but also have a positive psychological effect. Many scientific Studies revealed that indoor gardening can eliminate many harmful air toxins, reduce stress and improve our moods. In this elective, students would be exposed about how to choose, grow and maintain the most suitable indoor plants, to add appeal to the environment and increase your sense of well-being.</p>										
<p>Art, Crafts and indigenous practices from Gujarat: Chartering Identities The elective course will focus on critically examining trajectories in artisanal and performative practices from the region of Gujarat in post-Independence India. The agro climatic zones of Gujarat state will form the domain of discussions. The course will acquaint students with case histories of practitioners, to trace trajectories of transformation. It will engage with questions of caste and community, agency and selfhood to understand the shaping of art forms and their contexts as well as well as the role and modes of interventions in these practices, including the work of anthropologists, scholars, museums, institutions, and the market. Students will critically engage with discourses surrounding the representation of these forms, including the binaries of art versus craft, or the categories of folk and tribal.</p>
